### GENERAL INFORMATION

NATIONAL FORUM "ELECTRONICS 2017" will continue the discussion initiated by "Electronica 1991" on the state and prospects for development of the Bulgarian electronics in a globalised world economy and EU membership. Papers discussing theoretical and applied electronics submitted by Bulgarian and foreign specialists will be presented.

Participation of leading Bulgarian and foreign companies is planned. An exhibition and round table will be organized.

Official languages are Bulgarian and English.

Selected papers from the conference will be invited for publication in the scientific journal ["Electrotechnica and Electronica - E+E"](#).
