Prospective authors are invited to prepare and record papers on the below listed topics. Each author can participate in at most three papers.

A two-page digest file for each report should be recorded on the conference site after registration.

The digest should contain the title of the paper, authors and contact information, a short abstract, keywords, the main contents of the paper and references. Each digest will be reviewed by two reviewers. Accepted and presented papers will be published in the conference CD proceedings and submitted to the IEEE Xplore Digital Library, as well as for indexing in Scopus and Web of Science.
