27th NATIONAL CONFERENCE
WITH INTERNATIONAL PARTICIPATION

TELECOM 2019

THE WAYS TO CONNECT THE FUTURE

INVITATION

24 – 25 October 2019
National Science and Technical Centre,
108 Rakovsky St., Sofia

The Organizing Committee and
Conference Organizers
invite you to attend
the 27th National Conference
with international Participation

TELECOM 2019

24 - 25 October 2019

TELECOM is an annual national scientific-technical conference with international participation, covering a wide range of issues in communication systems and state-of-the-art networks – from the theoretical research, to the latest innovations and technical achievements, and successful practical implementations. The aim of the Conference is to create opportunities and help experts and specialists in different telecommunication fields to exchange new research, knowledge and technical expertise. The discussions will contribute to the creation of new ideas and trends in the development of telecommunications in Bulgaria. The conference takes place at the National Science and Technical Centre, 108 Rakovsky St., Sofia.

MAIN TOPICS

1. Telecommunication networks. Cloud communications. Network functions virtualization.
2. Wireless systems - mobile and satellite communications, wireless access, cognitive radio.
3. Software defined networks. Big data networking.
4. Teletraffic. Quality of Service (QoS) provision and management.
5. Internet of Things (IoT). Smart home and cities. eHealth. Better living with ICT.
6. Communication issues, supercomputers, artificial intelligence, machine learning.
7. Communication circuits, signals and systems. Image processing and coding.
8. Electronic communications, policies and regulations. Digital switchover.
9. Electronic control: e-government, cybersecurity.
10. Optical communications. Intelligent Transport Systems. Rail Communications.
11. Economics and marketing of electronic communications and postal delivery services.
12. Education in the field of telecommunication.

SPONSORS

Sponsors of the TELECOM 2019 are leading firms, companies working in the field of telecommunications.

COMPANY PRESENTATIONS

Companies can apply for presentation of their products within the program of the Conference or for display of advertisements. The time allotted for the presentation is 20 min for each Company. The fee for advertisements is Euro 100 for one coloured page size A5. The fee for advertising leaflets to be distributed with the Conference materials is Euro 25. Please, apply using Reply (form B) by October 21, 2019.

20% discount is applied for Companies of the Sponsors.

EXHIBITION

During the Conference an exhibition is organized, presenting the latest technical news and developments in the field of telecommunications (software, technologies, services, etc.). Applications for participation can be made by filling Form B by October 21, 2019.

PARTICIPATION IN THE CONFERENCE

Prospective authors are invited to register online or send their Reply Form A by e-mail no later than September 21, 2019. The full text of the paper to be presented written in one of the conference languages, should not exceed 4 (four) pages and should be sent by e-mail no later than September 29, 2019. The abstract should be in English and sent by e-mail. Submitted papers will be subject to peer review, by at least two reviewers. Authors will be informed by October 14, 2019 on the acceptance of their papers. Every author can participate as main author in one paper and as co-author in two. Manuscripts received after the deadline will not be included in the program.

Detailed instructions on formatting of the papers are available at <http://ceec.fnts.bg/telecom>

The accepted papers will be included in the program and abstracts book, and given to the conference participants. The presented papers will be written on the compact disks (CD) after the conference and sent to the authors.

TELECOM 2019 will be technically Co-Sponsored by IEEE.

(IEEE Conference record #)

The presented papers will be submitted for inclusion in the IEEE Xplore on-line digital library, as well as for indexing in Scopus and Web of Science..
